

DAMALI
Pajama Parties
in the Lavender Loft

A rustic and reasonably priced getaway for groups of friends or family the lavender loft is generally the ‘home’ to our farm workers but from November 1 to February 28 it sits lonely and quiet. The loft sleeps up to 8 cozily and has full cooking facilities and supplies. There is a large video library, games and books or you can bring your own. Bring your musical instruments and have a jam and sing along or have a craft making party or a knit-a-thon or drum making workshop....the creative energies are strong here at Damali and the winery and lavender shop can provide some complements to your fun! How about wine & lavender massages for everyone?

Daytime activities can include golfing across the road at Arbutus Ridge golf course, a walk to the beach or local hiking trails, some meditation and a walk in the labyrinth or take the time to do some writing, reading, painting or photography. Or just do nothing!

The best part:

\$25 per person per night. Bring your own linens or sleeping bag.

Bathroom has tub and sink and there is an outhouse (brrrrrr!)

A \$50 damage deposit is fully refunded if the loft is left the way you found it.

Contact Damali to book your pajama party
